We believe in the urgency of now, an urgency that awakens us to the importance of reaching for the impossible, the never before. Thus, we believe in PROGRESS, an expansion of mind and heart and unbelievable energy. We believe in PEOPLE, the beat of our generation, an eagerness to learn, to laugh and to live. We believe in RESPONSIBILITY, the heartbreak and defeat, the joy and honor of being a part of H.H.S., and the dark anxieties of forming a belief in ourselves and our generation. And most of all, we believe in CO-OPERATION, everyone — faculty, student body, band, Bulldog athletes, pep squad — pulling toward one goal, a new, timely spirit of unity at H.H.S.

'70 A Sign Of The Times PROGRESS

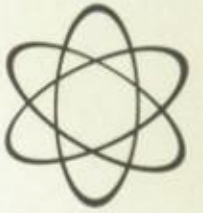

Through broadening the student's world, H.H.S. implants in him an unquenchable desire for improving himself.

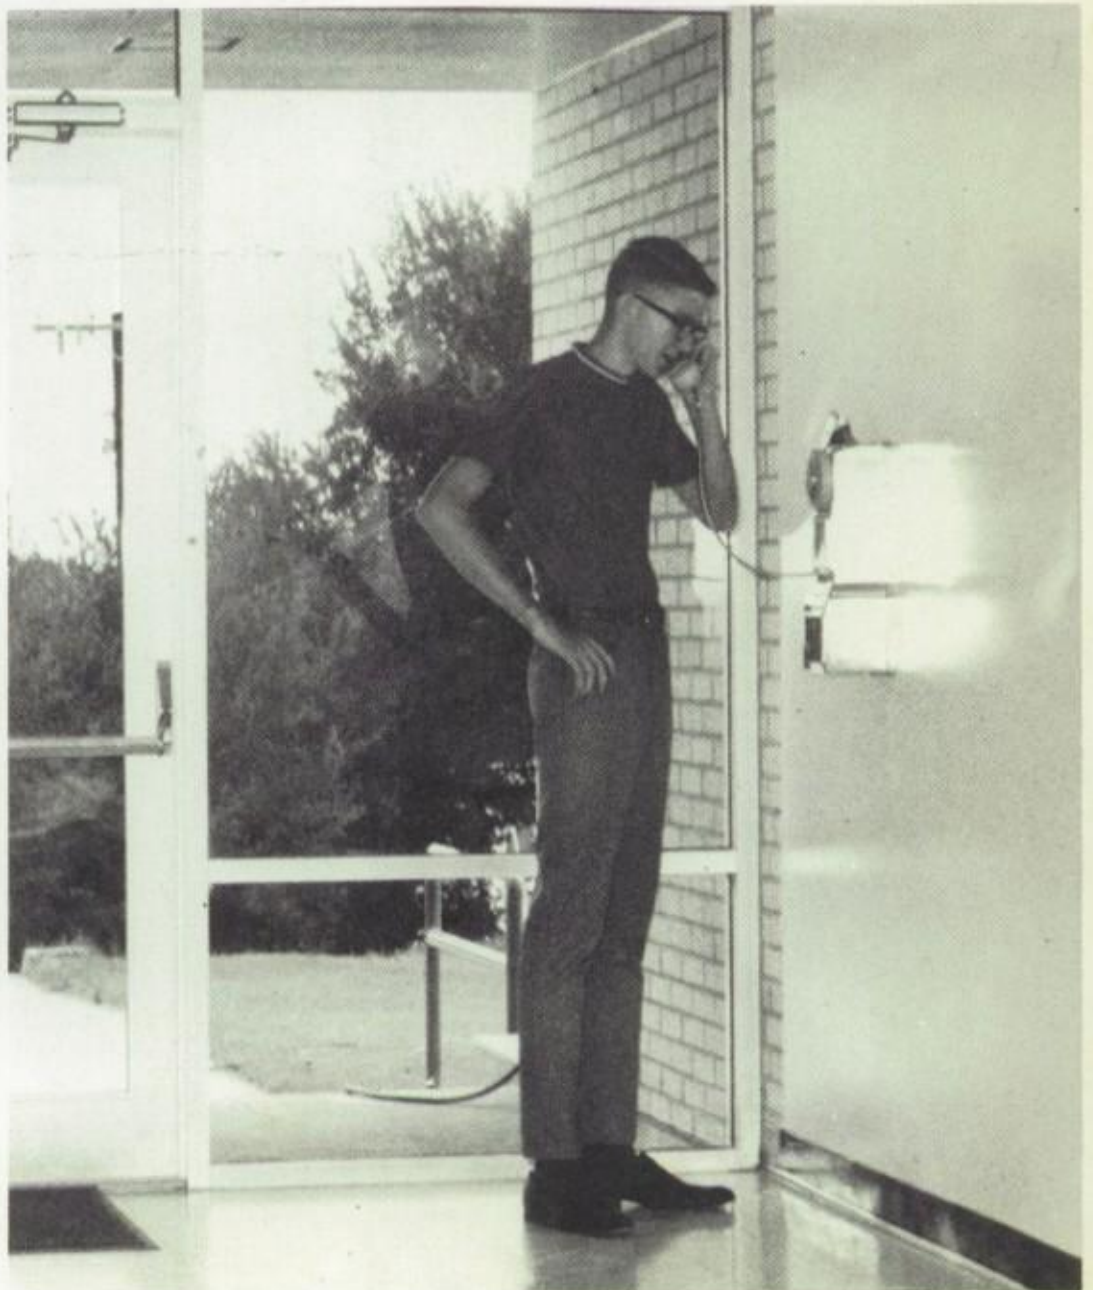

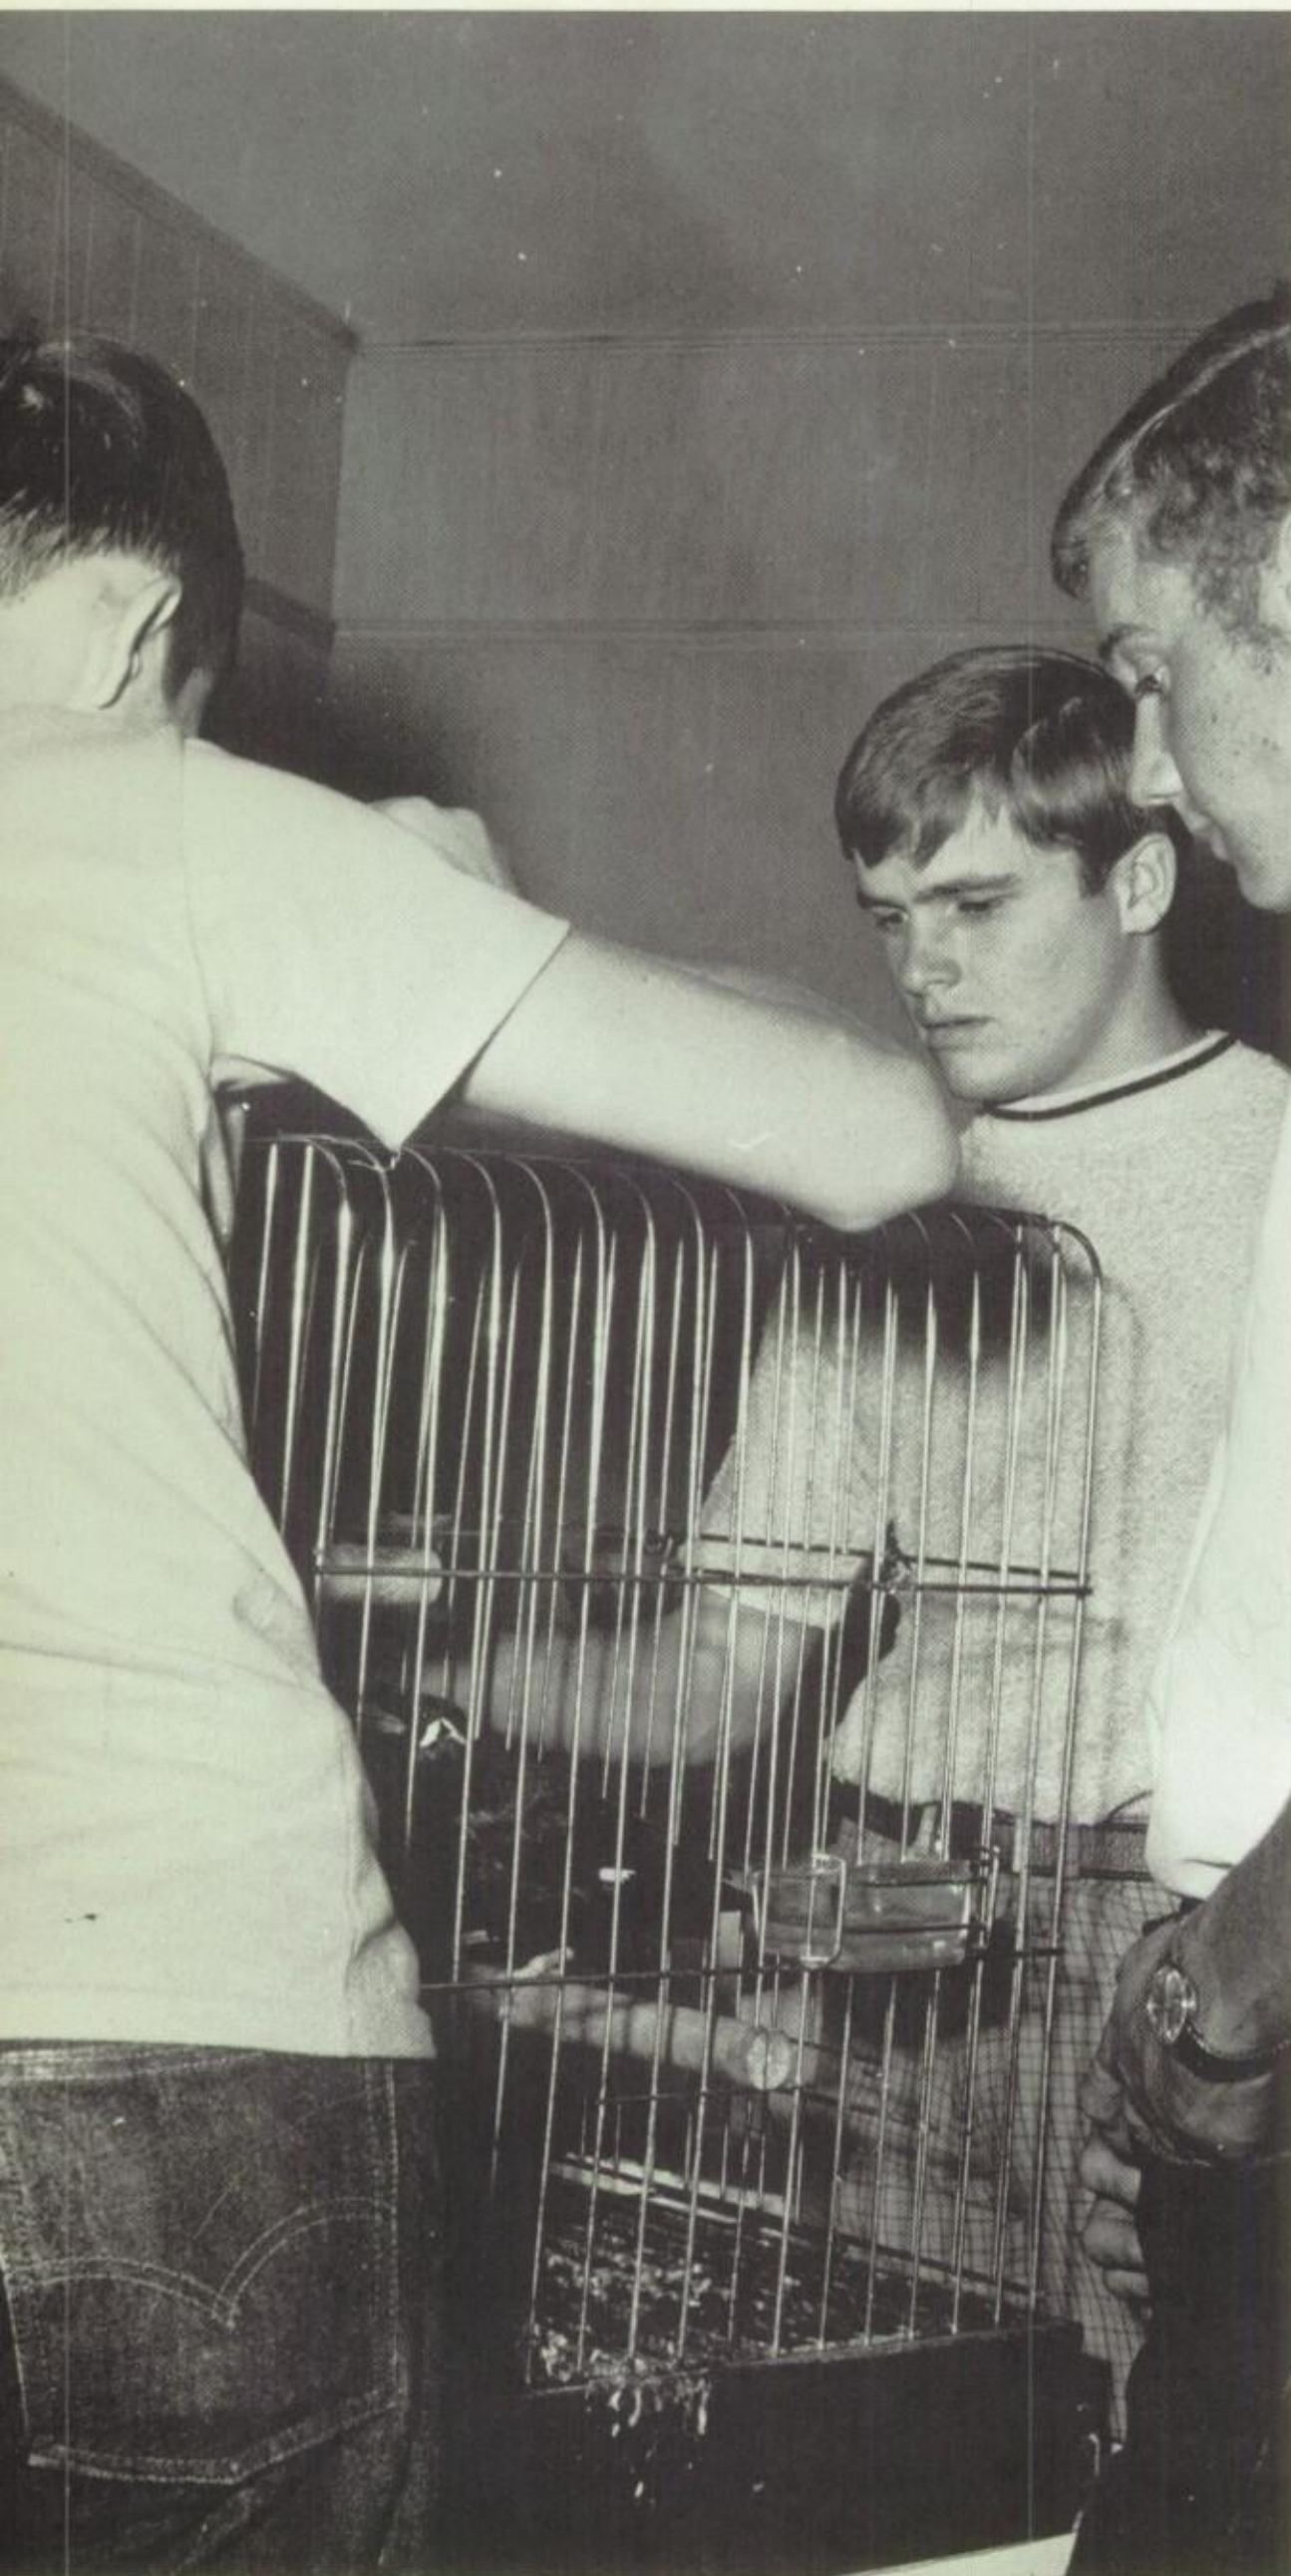

'70 A Sign Of The Times PEOPLE

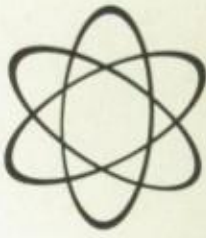

H.H.S. is people eating together, entertaining, learning, and thinking. These traits keep alive the beauty, strength, and honor of H.H.S.

'70 A Sign Of The Times

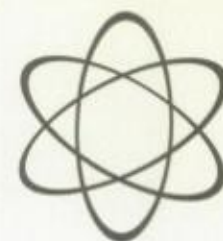

CO-OPERATION

By indicating to the students the merits of many in a joint effort, H.H.S. reveals to them that they are the basic counterpart of cooperation.

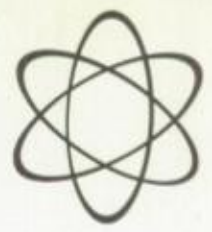

'70 A Sign Of The Times OPPORTUNITY

HHS is opportunity — an opportunity for all students not only to learn, but also to be helpful, to be a part of things, to be an individual, and to plan for a future.

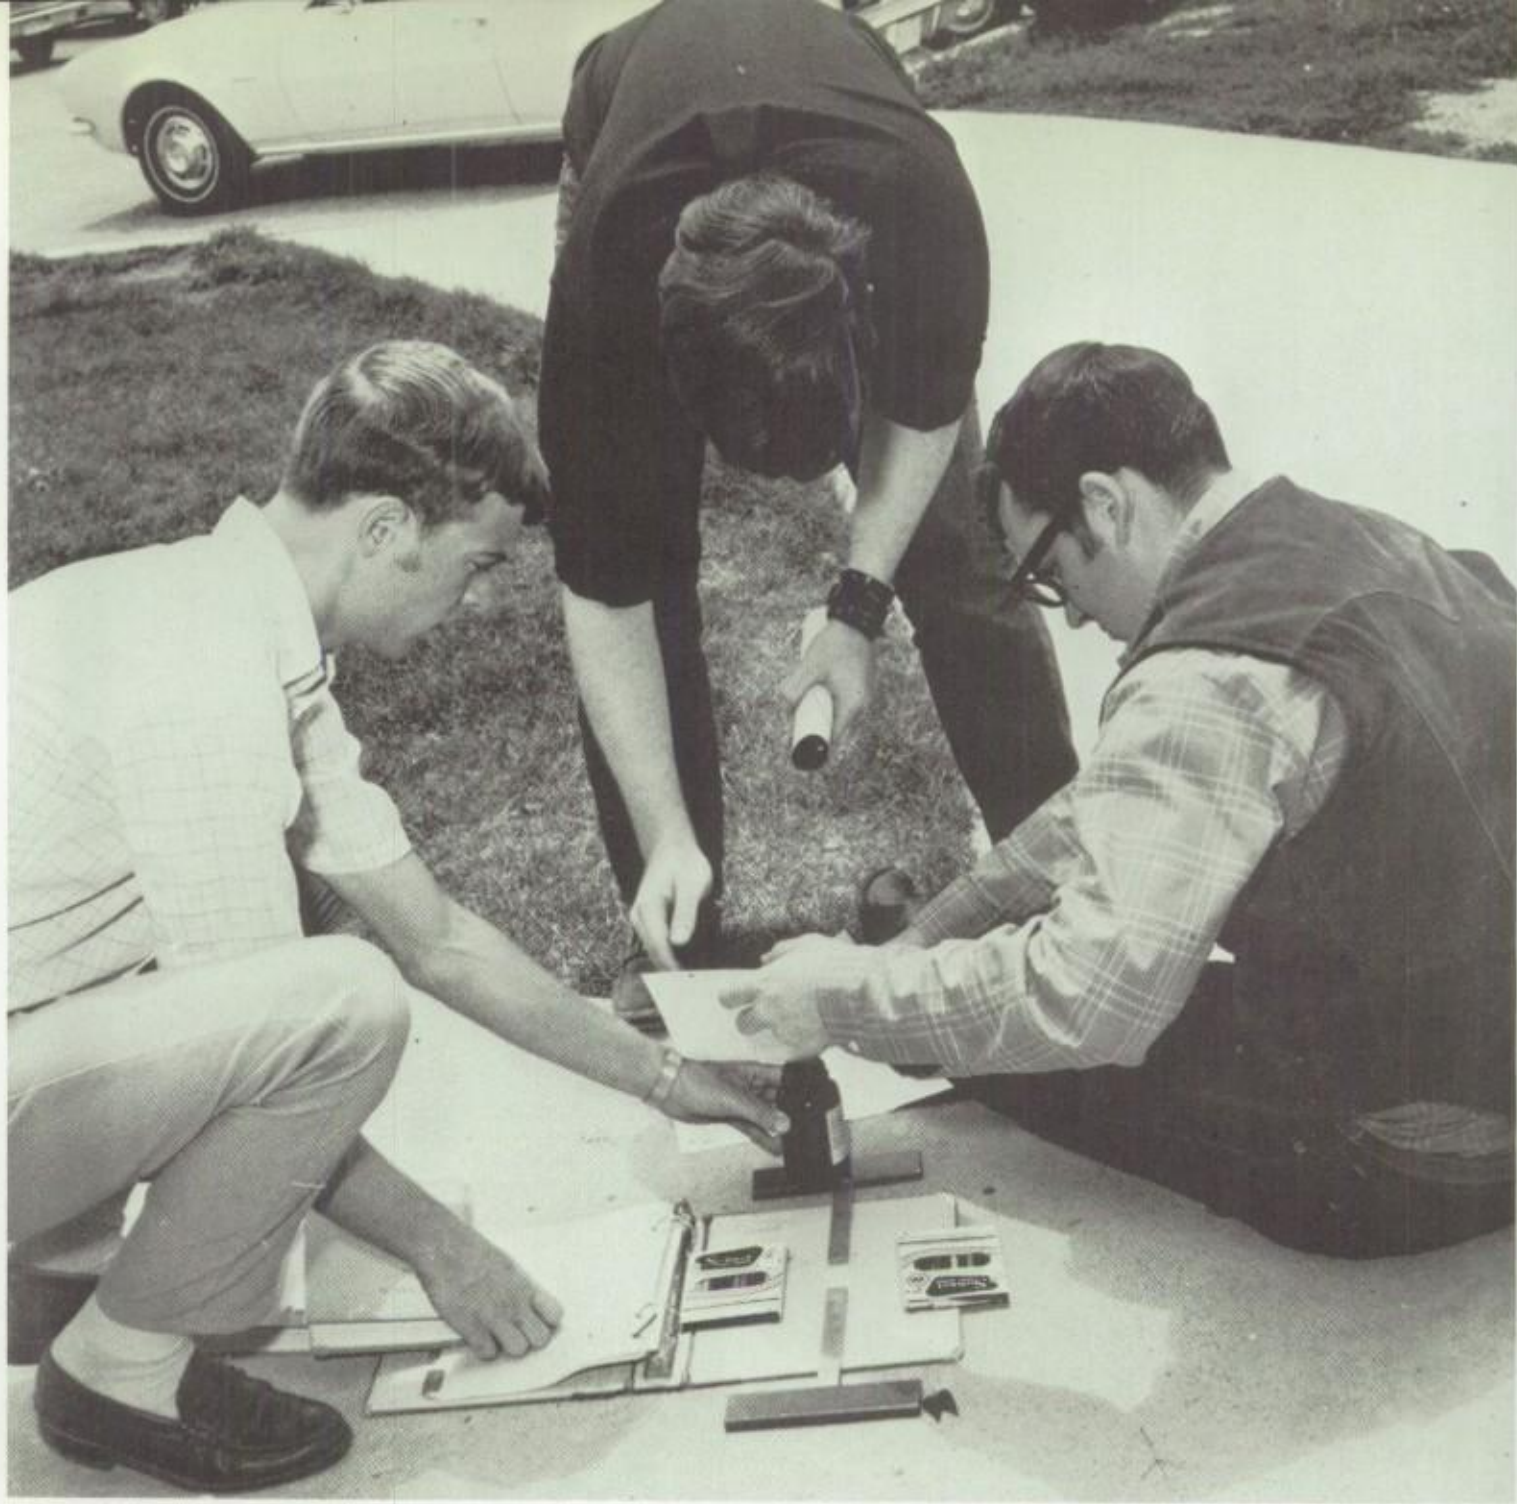

OBLIGATIONS

H.H.S. strives to demonstrate to the student the satisfaction of recognizing his obligations and fulfilling them to the best of his ability.

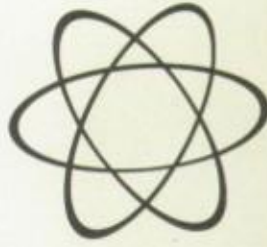

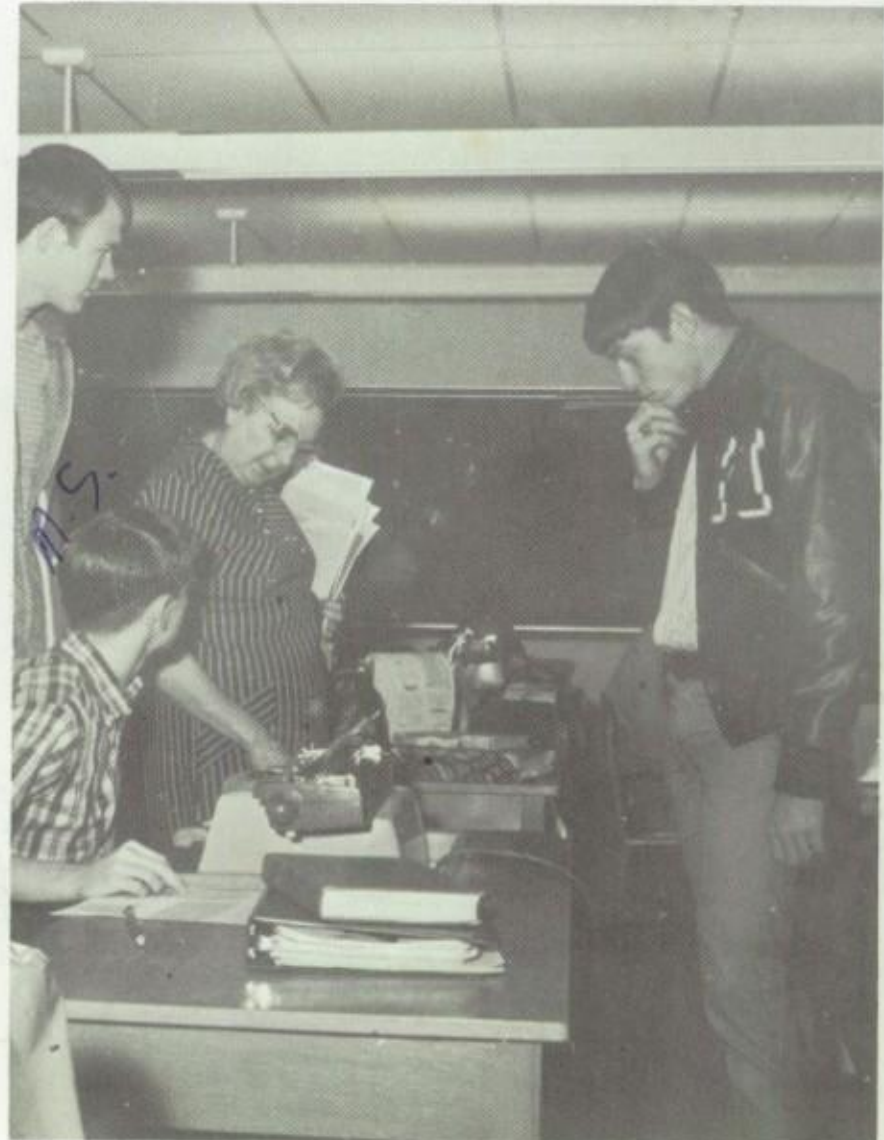

'70 A Sign Of The Times Participation

Participation is an essential part of Hamilton High School. From class officer elections and class projects to stage band concerts — each activity makes the student a part of H.H.S. and gives him a sense of belonging.

Student Life

Student Body Names Mr. And Miss H.H.S.

Nominations for Mr. and Miss H.H.S., presented by the faculty, were given to the students for final choices from fifteen nominees. Dale Sills and Marilynn Peters received this coveted award.

Chosen because of her intellectual quality and personality, Marilynn Peters' honors included 1970 valedictorian and National Merit Scholarship Winner. She edited the PRELUDE & FUGUE and was copy editor of the PIONEER. Her bright smile made her a major part of the everyday life at H.H.S.

Marilynn Peters discusses KON-TIKI with Dale Sills.

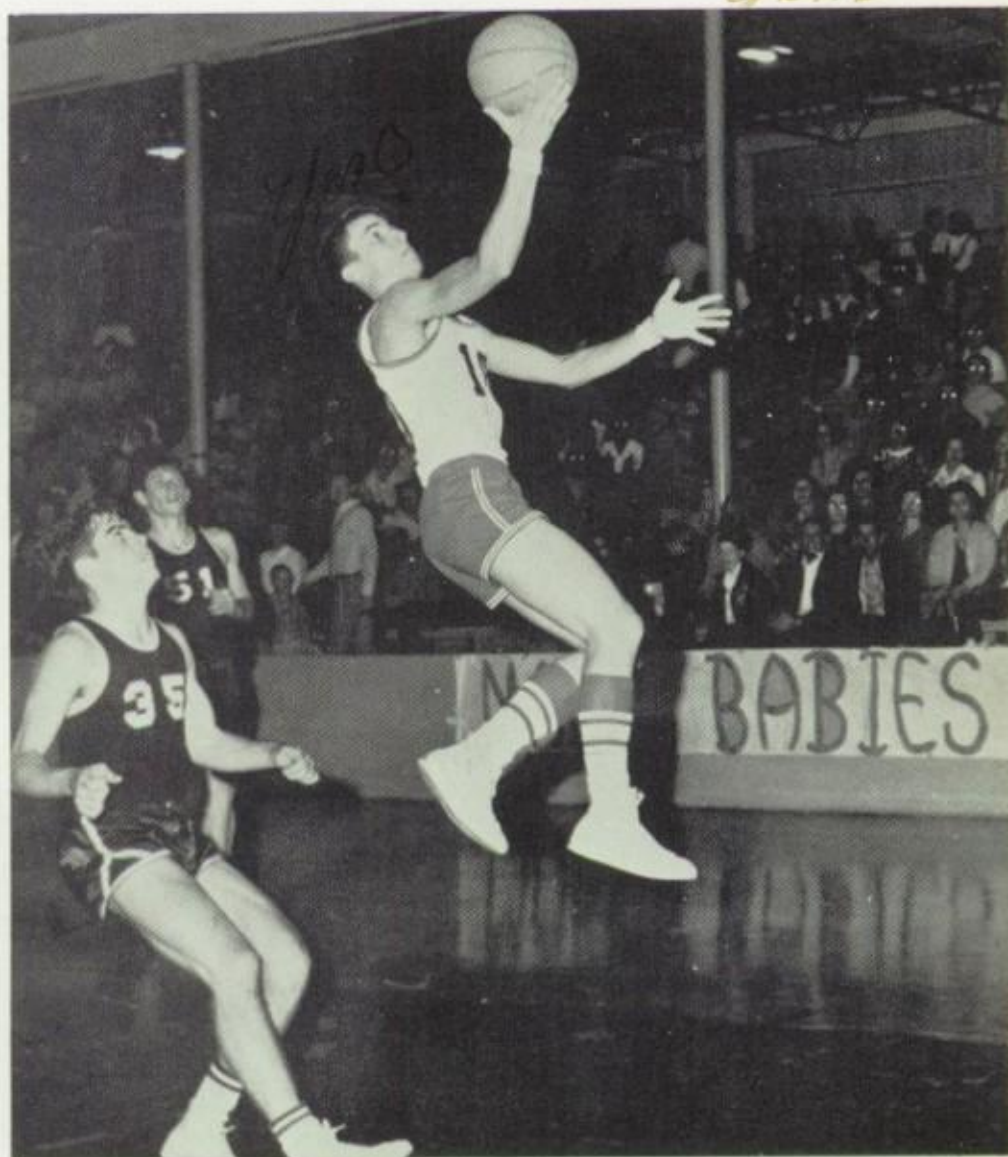

Dale proves to Marilynn that it can rain on a sunny day.

Dale Sills' athletic ability and natural good humor won for him the merited Mr. H.H.S. He was second high-point man for the mighty Bulldog basketball team and assisted in filming football games. Dale played a leading role in "The Storm" in VARIETY '70 and was in the second quarter of his class. His ready smile and friendliness have won him the title of Friendliest two years in a row and helped to make him an unforgettable part of H.H.S.

Hours Of Preparation Go Into The Prom

In April, Seniors, parents, and friends transformed the gym into a ballroom. The theme, "Three Coins in a Fountain," was carried out with yellow streamers, green trees, a garden scene portrayed in a realistic mural, and pink water cascading from a fountain. Bill Mounce and his Orchestra provided the music for the occasion.

Barry Wilkerson carefully arranges one of the many trees that contributed to the decor of the gym.

Their escorts are respectively Ray Reinert, Steven McKandless, Jimmy Edwards, Dale Sills, Mike Bennett, and David Tolbert.

Emotional pep squad members congratulate their equally emotional queen after the coronation.

Congratulations . . . Homecoming Queen

Wood gathering all week, the Thursday night bonfire, a contest for the best-decorated car, dress-up day, the announcement of the pep squad heart throb, the Friday afternoon pep rally, the tears mingled with laughter and suspense: These are the ingredients of Homecoming. Selected by the student body from the three nominees chosen by the senior class, Delia Willeford was the 1969-70 Homecoming Queen. Her reaction to the Student Council - sponsored balloting? "I was so shocked that I didn't know what to do. I was very, very happy."

The three senior nominees and their escorts shared a moment of sideline happiness. Overwhelmed, Delia stepped forward to be crowned by the 1968-69 Queen, Mona Schrank.

H.H.S. Belles Jingle Christmas Setting

Four weeks of hard practice yielded a show of professional caliber for the standing-room-only crowd drawn by the Jaycee-sponsored pageant. Master of Ceremonies, Jay Evans, artistically tied bits of performances together to unify the show. Red and blue lights reflected off white bellbottoms as the curtain opened on eleven nervous contestants as they swung into a physical fitness routine to the lively beat of "Jingle Bell Rock."

As the show continued, a wide variety of talent, ranging from monologues to organ music to modern dancing, entertained the audience. Jaycee President Ray Horner presented each contestant and Betty McCord, director of the pageant, sterling silver charms in remembrance of Saturday, December 6, and all the hard work that made it possible.

School Principal Rodney Love made special award presentations during the commencement exercises. Marilyn Peters, valedictorian, received the Balfour trophy and school medal, a \$1,000 National Merit Scholarship award, Texas Council of Church Related Colleges and Universities, a Scholarship to any state-supported college or university, and a year's subscription to Reader's Digest. Deb Luker, salutatorian, received a Balfour trophy and school medal, and a scholarship from the Texas Council of Church Related Colleges and Universities. Mr. Love presented the athletic awards to Sandra Prichard, All-District basketball guard; Chris Wood, All-District basketball; and Jerry Siepert, football. Leanna Knapp and Glenn Leach received the School Citizenship Medal. Glenn also received an award for the highest scholastic boy. Mr. W. B. McPherson, Jr. presented the American Legion Award to Margaret Caldwell and Dudley Kelm. Individual medals for outstanding achievements in school went to Damon Chumney, Student Council; Linda Bosse, The Trail; Ann Nicholson, Pioneer; and Linda Hufstutler, Band. Sam Harelik and J. E. Wren made \$5.00 cash awards to each of the eleven honor students in honor of Haskell Harelik and Cecil James.

Quick Wit Prompts High Ratings In Communication Skills

Imagination and skill achieved recognition for the H.H.S. entries in various communication skills. Among the fields challenged were ready writing, typing, and number sense at the Cisco District and Denton Regional U.I.L. meets. Marilyn Peters participated in the Austin State Ready-Writing. English III classes composed S.C.S. essays and submitted the best for judging by a team selected by the Ft. Worth Chamber of Commerce. In a letter to the governor of Texas, English I and III pupils wrote on "Why You've Got a Lot to Live" to the Pepsi-Cola Write-In. Such events merited acclaim not only for the students participating but also Hamilton High School.

Student Council Launches Popular Feats

The 1969-1970 Student Council ushered in the new year by joining the state organization of student councils. Representing students from all four high school grades, the members are as follows: freshmen Ann Miller, Mel Henkes, Johnni Lynn Carter; sophomores Kay Kiefer, Donna Chumney, Gena Davis, Marion Coats; juniors Ross Woodall, Linda Bosse, Kay Locke, Patti Schrank, Mike Stephen; seniors Damon Chumney, Margaret Caldwell, Marilyn Peters, and Barry Wilkerson.

On May 1 girls were seen ringing doorbells and opening doors, for a Sadie Hawkins Day was one of the major tasks undertaken by the Student Council. Other new projects included awarding the best dressed couple at the homecoming football pep rally, marking parking zones around the school, sponsoring the suggestion box for student opinions, and conducting fire drills. More Student Council innovations were that classes nominated two citizens of the six weeks for teacher approval and compiled a list of students who had improved scholastically. The backers of individual parking spaces won a close ballot. Student Council members solicited and counted votes for Homecoming Queen.

The Council met during Wednesday activity periods.

President Damon Chumney, vice-president Ross Woodall, secretary Donna Chumney, treasurer Kay Kiefer, Parliamentarian Kay Locke, and reporter Linda Bosse led in voicing the student body's views.

Mel Henkes and Ann Miller are but a few who splotted and splashed yellow paint around the curves creating parking zones.

Despite the lure of the game, Gena Davis, Barry Wilkerson, and Mike Stephen, Student Council members, supply basketball crowds with cokes, candy, and popcorn.

NHS Improves College Entry Criteria

The National Honor Society recognized the academically superior students. To be admitted, juniors had to be in the top ten percent of their class, and seniors in the top fifteen percent. Each member was responsible for maintaining grades ninety or above in all subjects. Then all names were submitted to a faculty committee where they were judged on character, service and leadership.

Quill And Scroll Society

Initiates New Members

The H.H.S. Chapter of Quill and Scroll, organized in 1965, included more than 7,500 chapters in every state of the union and in foreign countries as well. The publications advisors selected eight students who were in the upper third of their class and had made an outstanding contribution to a local publication. These members took the oath at the annual publications banquet. Harry Marsh, Assistant Journalism Professor at Baylor University, was the guest speaker. **BELOW BACK ROW:** Deb Sparks, Marilynn Peters, Mary Caldwell, Patti Schrank, Ann Nicholson, and Ross Woodall. **FRONT ROW:** Mark Shaffer, Leanna Knapp, Ruth Crawford, Linda Bosse, Sharee Williamson, and Cathy Campbell.

Candystripers Delve Into Nursing

The Candystripers, in their second year, consisted of ten girls who enjoyed the responsibility and the busy atmosphere found at the Hamilton County General Hospital. Working two hours each week, the girls folded linens, carried food trays, delivered flowers, answered the telephone, sterilized test tubes, and scrubbed rooms from top to bottom. Elected officers for 1969-1970 were Judy Jones, president; Patti Schrank, 1st vice-president; Marilyn Peters, 2nd vice-president; Margaret Caldwell, secretary; Mary Caldwell, treasurer; and Kathy Grimm, historian.

Office Workers And N.Y.C. Aid H.H.S.

The office workers kept H.H.S. in order. Linda Dodson, Ruthy Crawford, Bobbie Williams, Ernestine Dewald, and Linda Bosse picked-up the absentee lists, sorted the faculty mail, answered the telephone, took messages, and ran errands for Mr. Love.

N.Y.C. members Glenn Leach and Joe Haynes assisted throughout the school. Glenn lifted garbage cans for the lunchroom personnel and helped as a mechanic in the Ag. building. Joe worked with the janitors emptying trash cans, sweeping the halls, and shining the glass doors.

"A Sign Of The Times" Is Headaches

The 1970 Pioneer Staff captured the year's events in a pictorial essay, "A Sign of the Times." In hectic daily sessions the annual staff planned layouts, took pictures, mastered copy, and finally submitted pages for the all-important approval checks. The work not only consumed many afternoon school hours but also demanded much of the staff members' spare time. The planning and designing of the publication began long before the school year during the summer Texas A&M workshop. There annual staffers composed a dummy and learned new photographic techniques. The fall workshop at Baylor University supplied editors with more ideas for copy and pictures. The participating schools in the Journalism Day held at Baylor University elected Deb Sparks Vice-President of the Central Texas Press Association where the 1969 annual was entered in competition. Through the efforts of advisor Mrs. McPherson, editor Ann Nicholson, and other staff members the 1970 annual truly portrays "A Sign of the Times."

Staff Upgrades Prelude And Fugue

This year the PRELUDE AND FUGUE encouraged creative writing by offering an annual for the best submission. Second place received a literary magazine and \$2.50. Third place and best poetry received literary magazines. Students whose selections were chosen to appear in the magazine were awarded three points on their six-week's English grade.

The staff, headed by editor Marilynn Peters, enlarged the publication to contain nearly twice as many selections of poetry, essays, narratives, book reviews, and fiction. The use of double-page spreads improved the appearance of the magazine.

Ole!

The Spanish Club of 1970 swung into the newness of H.H.S. by directing added zest toward their endeavors. Fulfilling the purpose of their organization, members placed special emphasis on preserving a foreign country's language, culture, and customs. Projects through the year included raffling tickets for cakes at hometown basketball games and selling chances for a stuffed animal on Valentine's Day. The highlight of the year was the annual Spanish-style party.

F.H.A. Trains Homemakers Of Tomorrow

The Hamilton High School Future Homemakers of America completed a busy and rewarding year under the leadership of Mrs. Hutto. In addition to seven chapter degree holders; Linda Blakley, Pat Sullivan, Ginger Kirkland, Janice Adams, Pat Harris, and Sherry Palmer earned junior degrees. Leanna Knapp achieved a state degree. Joy McPherson was elected Area IV third vice-president and also received the honor of Area IV Young Homemakers of Texas "Little Sister." The FHA held their annual United Nations Banquet and recognized the chapter Beau Tim Truss at the Parent-Daughter Banquet. Marla Schrank was presented an award as outstanding student, and Sherry Palmer was selected outstanding freshman. A fun-filled trip to Lake LBJ on May 15 and 16, completed a year of fun and achievement for the FHA.

Two's Company

This year as in the previous year, the FFA chose a sweetheart and the FHA selected a beau from the local chapters. Tim Truss was elected because of his outstanding achievements in FFA and witty personality. The FFA voted attractive and outgoing Glenna Chumney to represent them in the Cross Timbers District FFA Sweetheart Contest in Stephenville. As second runner-up among twenty-one entries, she justified their expectations.

F.F.A. Achieves Goals

The highlights of the Hamilton F.F.A. Chapter's 1969-1970 program were stock show winnings. At the Ft. Worth Southwestern Exposition and Fat Stock Show, Damon Chumney won Reserve Champion with his Angus Heifer; his Charlois Steer placed fifth. Lonnie Harris' four entires placed second, sixth, ninth, and thirteenth. David Senger, Jesse Walker, and Tollie Lightfoot entered hogs. Jimmy Edwards showed his Chester-white swine, and Charles Jones his Angus Heifer. Damon's Yearling Angus Heifer placed first and his Charlois Steer sixth. Lonnie again placed sixth and fifteenth. At the Houston Livestock Show and Rodeo, Damon exhibited the Grand Champion Angus Heifer and Reserve Champion Charlois Steer. Lonnie placed second, sixth, and ninth. Charles Jones participated in the calf scramble, but didn't place. In May, The F.F.A. Banquet for the chapter members, their dates, and outside guests, climaxed the year's activities.

Band Highlights Bulldogs' Halftime

Work began in August. Band members spent many dedicated hours learning new routines and perfecting their high-stepping to highlight the Friday-night games and to support their team at the weekly pep-rallies.

Aside from boosting spirit at H.H.S., the band marched in the Christmas parade and participated in the Festival of Music and the annual Band Concert in the H.H.S. Cafetorium, the Annual Stage Band Contest in Brownwood, the Castleberry Stage Band Festival in Fort Worth, and the Concert and Sight-Reading Contest in Brownwood. Members of the All-District Band were Linda Hufstutler, Gary Wood, Bob James, Karen Kiefer, and Lynn Olson. Linda Hufstutler (2nd, trumpet) and Ross Woodall (2nd, oboe) made All-Region. Linda Hufstutler placed 4th, trumpet in Area Band.

During the first week of June, Betty Kay Conner, head majorette; Karen Kiefer, Tanya Culp, and Marjorie Little drilled throughout the long, hot summer in preparation for the school year. These four and Ross Woodall, drum major, learned eyecatching techniques at Cisco Junior College Camp. The twirlers ran the concession stand at a Bulldog scrimmage with Reicher to earn money for their expenses. Difficult routines spiked the pep rallies. Swirling flags added new zing to the opening of halftime. While homecoming crowds watched in suspense, the majorettes spun fire batons. Bunches of balloons supplied by the twirlers skimmed the field as the Homecoming Queen was crowned. Competition at Ranger challenged the twirlers' perfection. Karen, Betty, Tanya, and Marjorie strutted Hamilton's streets at the downtown Christmas parade. The 1969-70 band majorettes' year was one of chapped legs and good times.

Hours of activity period practice readied the twirlers for a flawless halftime.

Chorus Members Sing Out

Twenty-three chorus members directed by Mrs. Barbara Johnson, provided many hours of entertainment for the people of Hamilton. Their activities included singing for the Lion's Club, the Junior Miss Pageant, style shows, and Baccalaureate exercises. Highlighting their year was a special chorus and stage band production which included skits as well as music.

F.T.A. Trains Teachers Of Tomorrow

Headed by Mr. Clyde Raibourn, A Future Teachers of America Chapter was formed. A charter was obtained in January, granting the establishment of a chapter in Hamilton for the first time. Meetings and discussions provided information concerning the job of a teacher and his responsibility to his students. Also, there were opportunities to tutor slow learners in lower grades which proved beneficial to the future teachers as well as the younger students.

Athletics

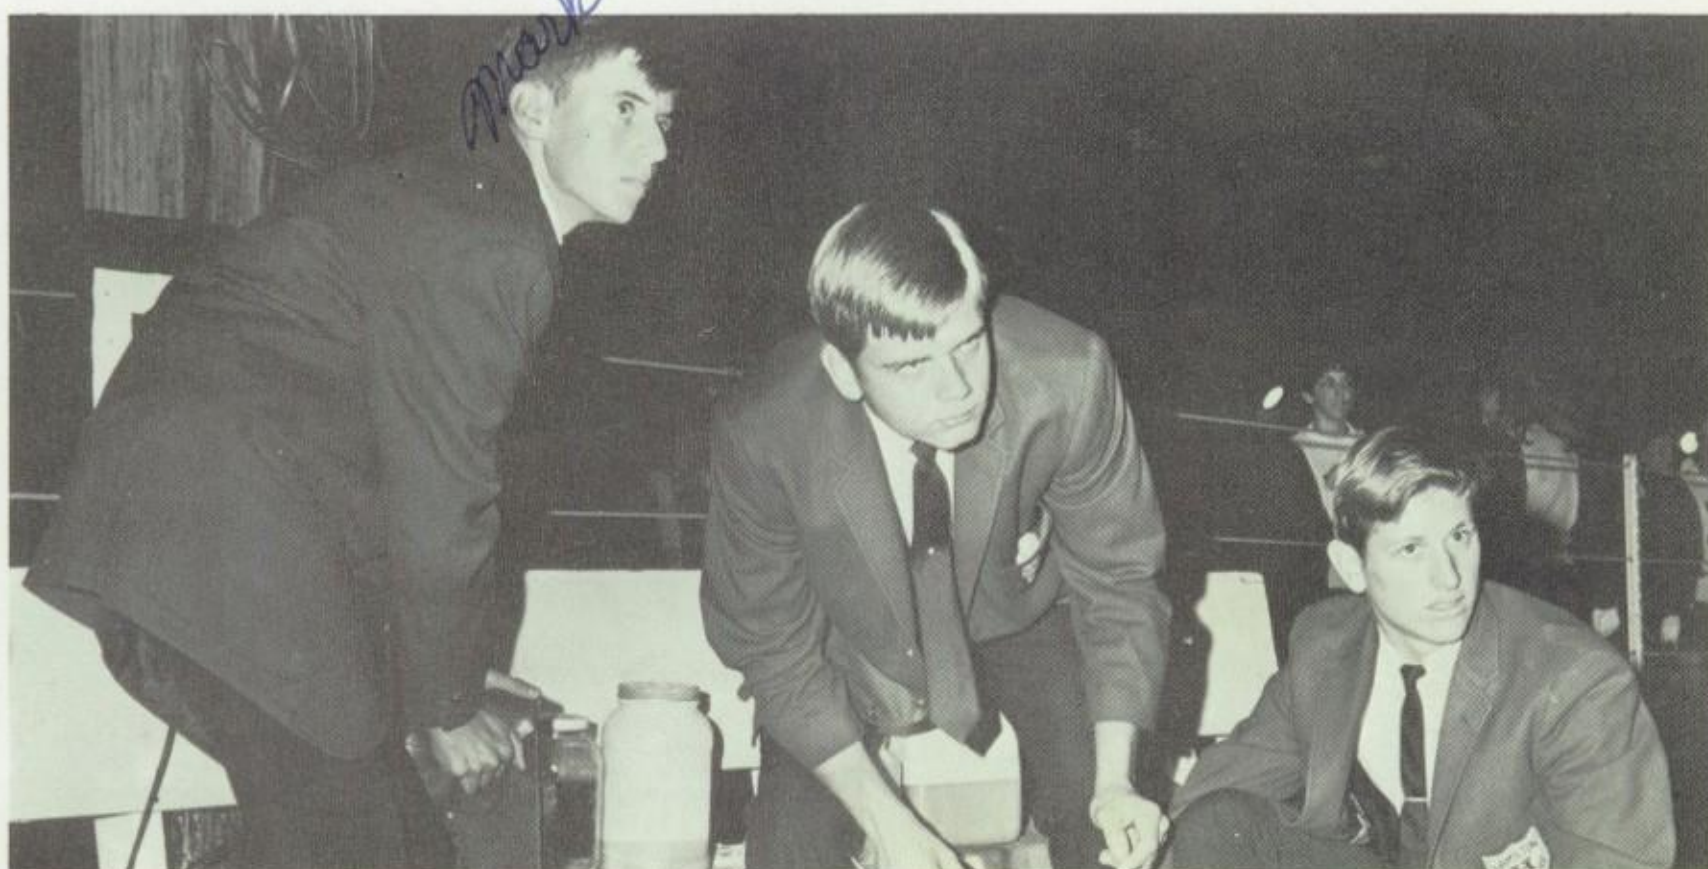

Coach Tom Flood and Bob Johnson's 1969 Hamilton High School Bulldogs finished the football season in third place in District 8AA with a record of five losses and five wins. The teamwork, dedication, and hard work of the fighting Bulldogs proved the experts, who had picked them to rank last, wrong.

Coach Tom Flood's Hamilton High Bulldogs provided the biggest surprise of the opening night of play with a 34-21 victory over highly-favored De-Leon Bearcats.

Hamilton went on the road for the next non-district game against Lampasas. Fresh from their previous win the Bulldogs' bubble burst under a barrage of Badger touchdowns ending in a 37-0 loss for the Dogs.

An alert Bulldog defensive secondary got more yardage out of the Dublin Lions' forward passes than the Lions themselves did at Kookan Field Friday night, September 26, and the Dogs turned the advantage into a resounding 35 to 14 triumph over the visiting Lions.

Hamilton's Fighting Bulldogs found disappointment in Clifton Friday night after losing to the Clifton Cubs October 3.

The Golden Armadillos built up a 32-point margin against the Bulldogs October 10 and then coasted in for an easy win with a final tally of 32-12.

District Champions, the Eastland Mavericks, were just too strong for the Dogs. Although the Mavericks built up a 27-point lead by the half, the Bulldogs came back with 18 points, the most points scored against Eastland during the season. The final score was a 47-18 loss for the Dogs.

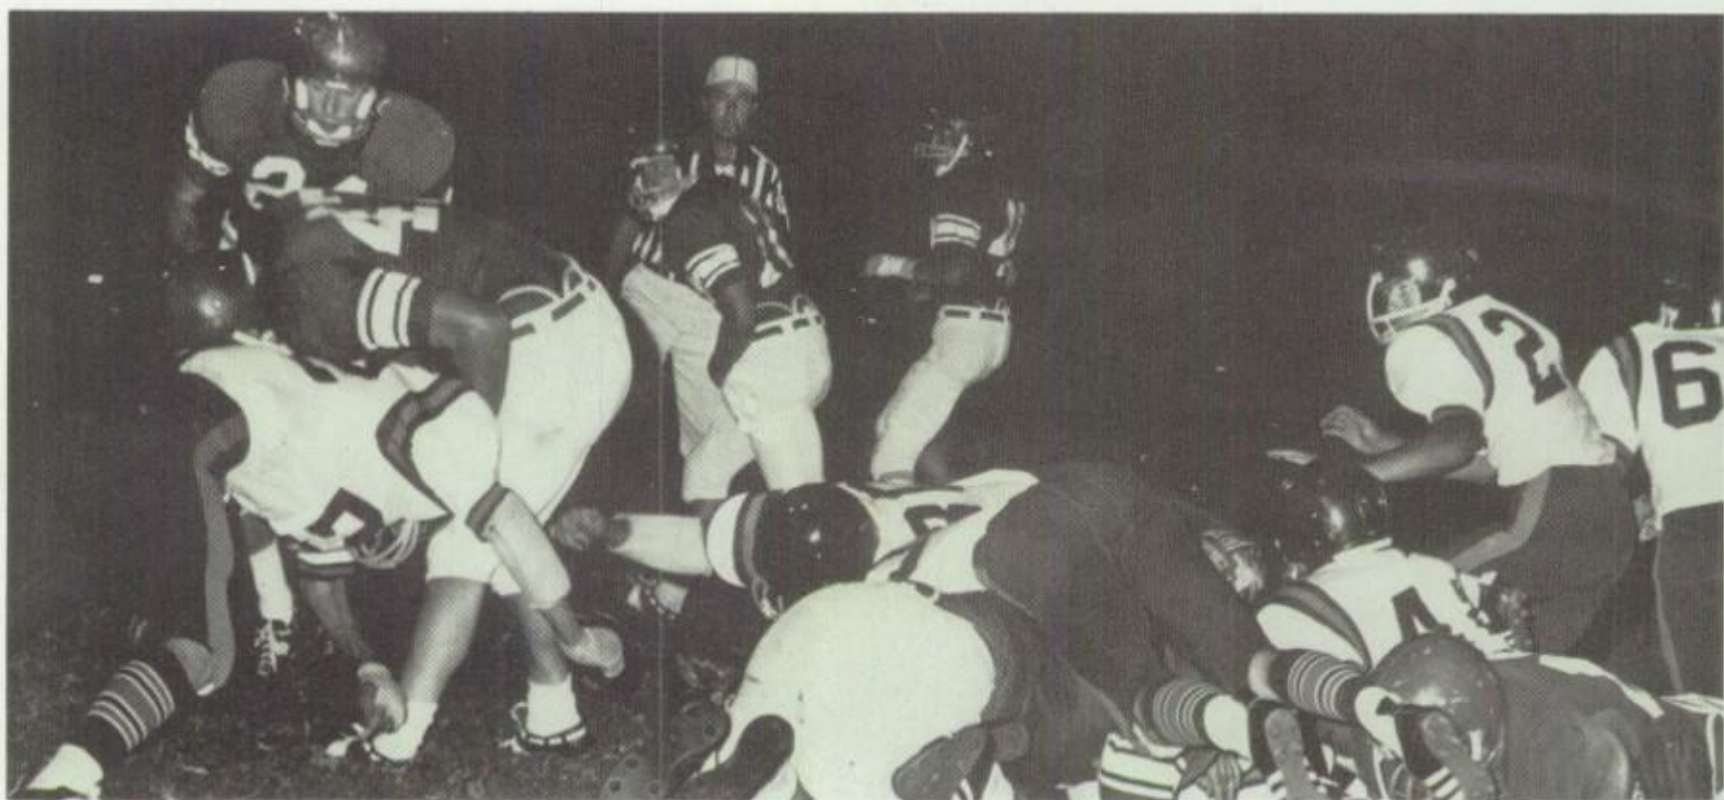

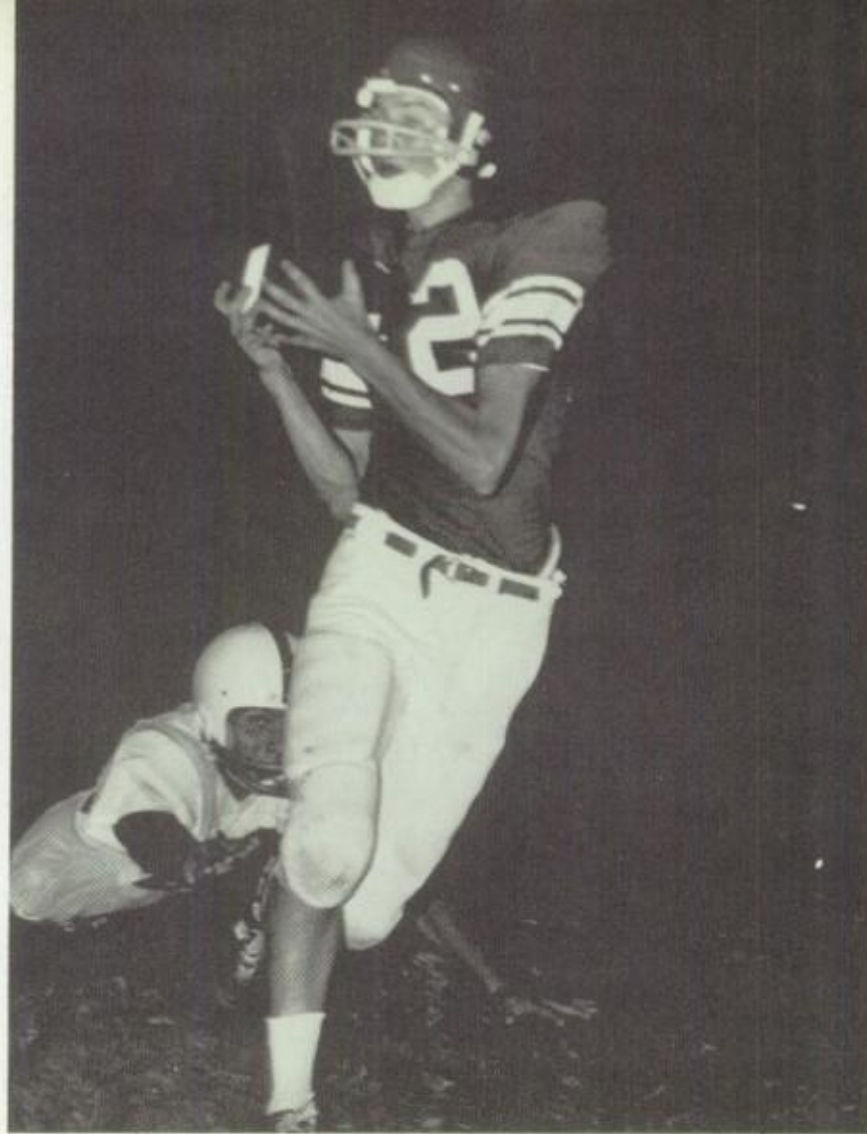

The Hamilton Bulldogs beat their all-time rivals, the Comanche Indians, October 24 at Kookan Field. The final score of 16-7 left the two elevens tied in District 8AA standings with one victory and one loss apiece.

Upperclass Lead Squad

Hamilton was just too much for the Cisco Lobos at Chesley Field in Cisco October 31. The Dogs pushed the Gold and Black out of second place in District 8AA, claiming the spot for themselves.

The football prophets were correct in their prediction for the Hamilton and Clyde game. The mighty Bulldogs romped for a 26-0 victory over their opponent.

Tell-tale injuries and a belligerent weatherman were major factors in a loss to Granbury in District 8AA competition.

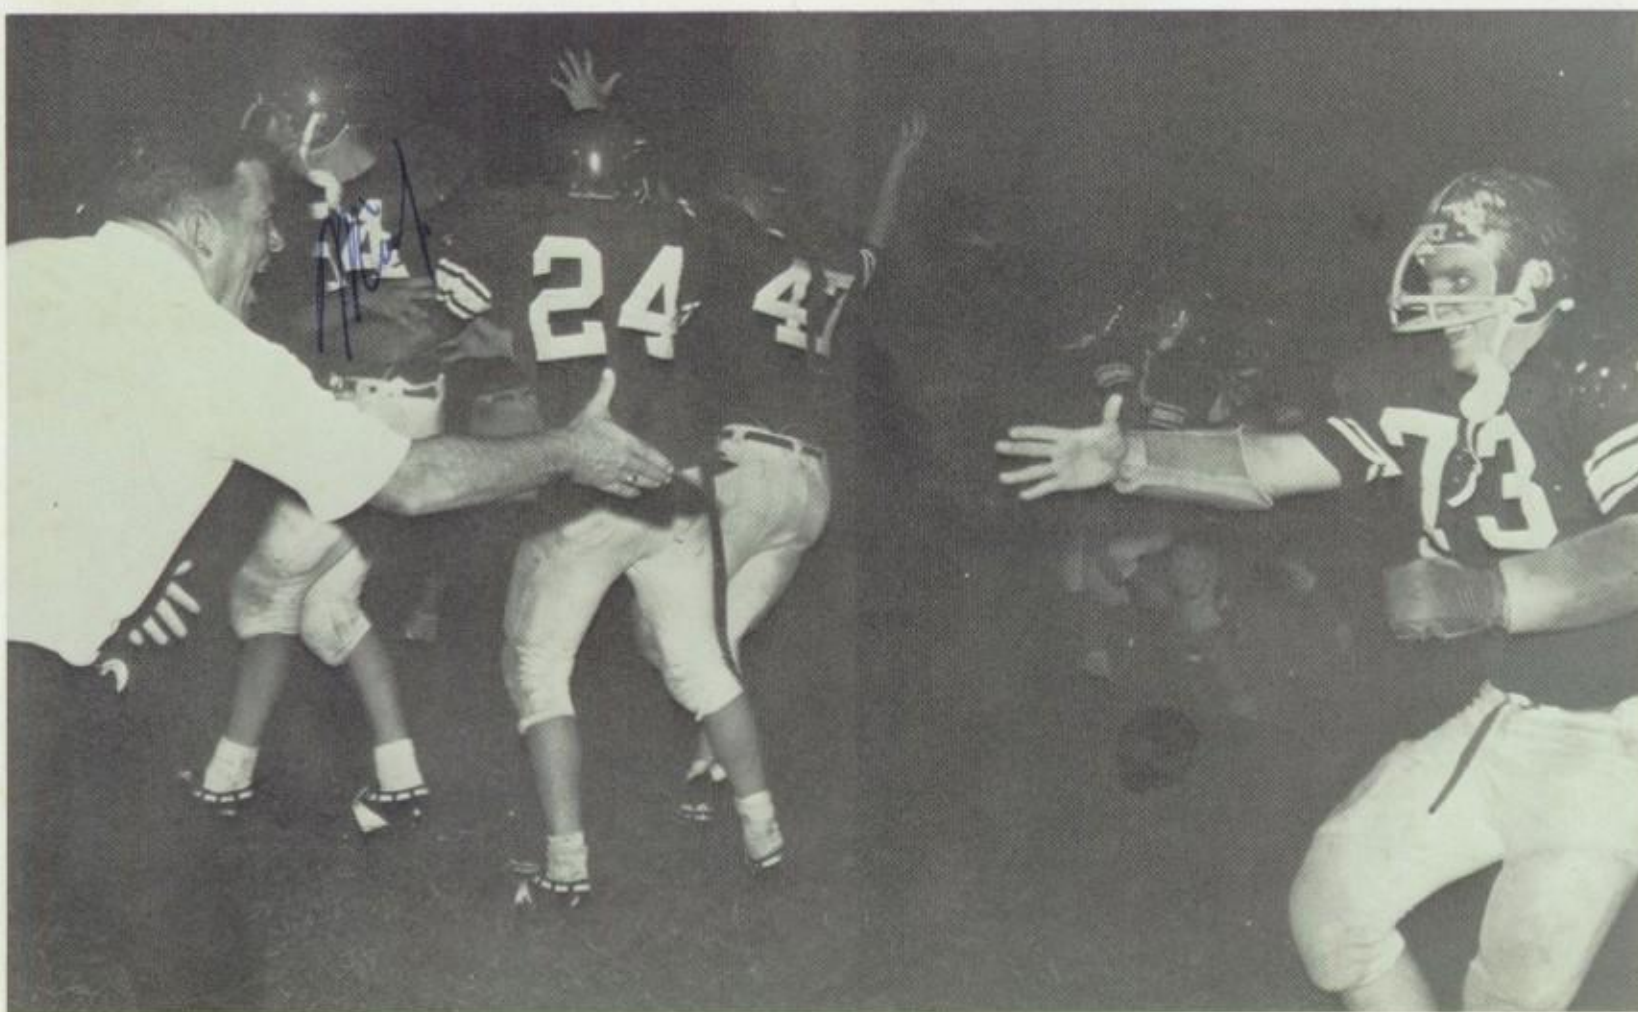

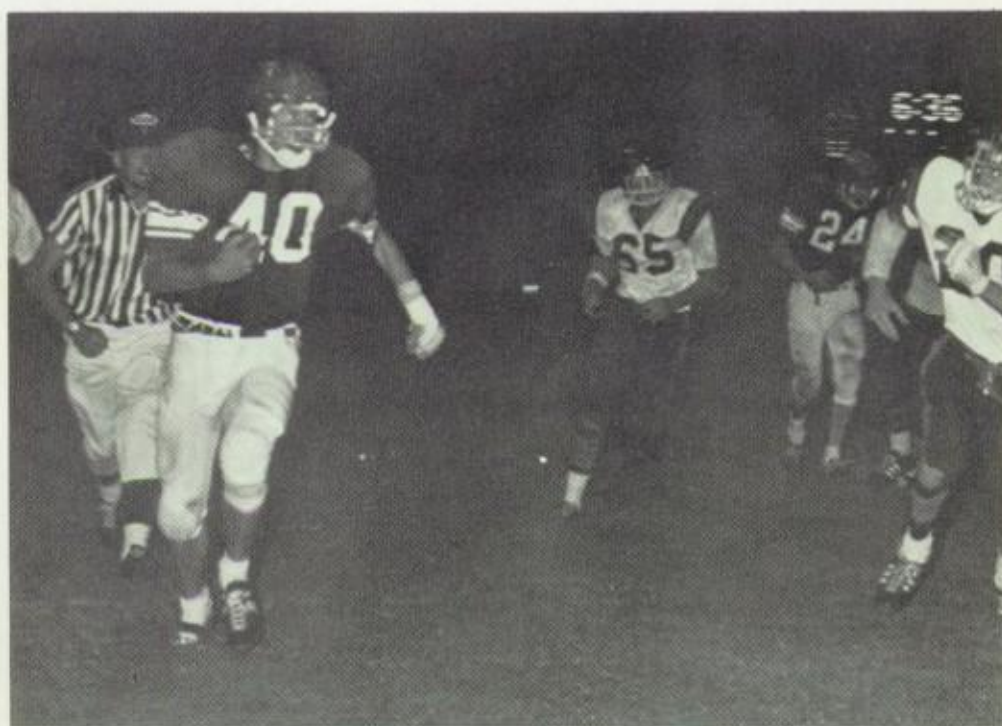

Coach Flood said, "I hope that all the teams I coach in the future show as much dedication as the Seniors. Although the team didn't win all the games, they played as winners all season."

Hamilton landed five men on the 1969 All District Football Team — Chris Wood, end; Tom Pierce, tackle; Howard Pierson, guard; Steve Young, noseguard; and Bob Gardner, runningback and halfback.

Second team selections were Pierce, tackle; and Kinsey, defensive end.

Those winning honorable mention were end, Mickey Kinsey; guard, Jerry Siepert; center, Lonnie Harris; quarterback, Steve Young; linebacker and halfback, Dudley Kelm; and halfback, Gary Luker.

The Bulldog Girl Cagers under new coach Mrs. Danny Johnson suffered through a long season with only a few wins. The team played a tough schedule this year. Although they did not produce a winning team, the girls showed enthusiasm and determination throughout the season. The biggest obstacle for the team this year was lack of experience.

The high point of the season was a 36-34 victory over the Granbury Pirates, which gave the girls their first district win of the year.

The Hamilton Boy Cagers have distinguished themselves in every way possible this year and have brought much pride and spirit to our school. They combined determination, desire, and dedication to become most successful in their efforts. Each player recognized his responsibility and accepted it with enthusiasm. Although the boys did not produce a district championship team, it was a great year and every boy became a winner, a winner in the hearts of the fans. Though four energetic seniors, Dale Sills, Chris Woods, Dudley Kelm and Dan Hatch will be lost by graduation, our Bulldog Cagers will return next year with the necessary will to win and as a result will continue to be victorious.

School Spirit Surged With Cheerleaders' New Ideas

Practice began early in the summer for the Bulldog spirit-boosters at Cisco Junior College Cheerleading Camp, where they earned several ribbons, and continued into the 1969-70 school year. Suzanne Schrank, Deb Luker, Cathy Campbell, Ann Johnson, Patti Schrank, and Joyce Harris sparked H.H.S. spirit to an all-time high during both football and basketball seasons with ribbon sales, Thursday night pep rallies, popular speakers for Friday afternoons, "hat" day, "balloon" day, "Jewelry" day, "dress-up" day, "sneaker" day, "picket" day, "sock-it-to-em" day, and even "silent" day! Anything new and different was in order.

1969-70 Bulldog Pep Squad:

For the first time in H.H.S. history, pep squad members shook red-and-black pom-poms and continued to support the Bulldogs from the football field into the basketball gym. In summer sessions with their sponsor, Mrs. R. C. Jones, the officers planned this updated look for their organization. They sponsored a summer dance with the "Slow Motions," a popular rock group, set definite membership rules, decided on a smart new uniform design, and set up a "Little Sister" program with senior and freshman pep squad girls — another H.H.S. first!

Board Directs Hamilton School System

This year's school board was headed by Norman Kiefer, Ben Gleason, vice-president; and Melvin Henkes, secretary. Other members were Johnny Harris, Don McCord, Andrew Campbell, Pete Roach, and Frank Johnson.

The group of dedicated individuals met monthly to discuss the problems that arose in our school system. Main points of business settled on plans for remodeling the gym, organization of a chorus, and completing the furnishing of the new school plant.

Headaches, Joys Become Evident In

What has five hundred eighteen legs, is blond, brunette, and redhead, ranges in height from four to six feet, weighs approximately twenty tons, and can be both a headache and a joy? The answer: Principal Rodney Love's student-body family of two hundred fifty-nine. That is quite a load for seven hours, five days a week.

Both Superintendent Travis Roach and Principal Rodney Love oversaw preparations in the new school. Mr. Roach headed the administration for the first time this year, competently directing the school plant. Mr. Love coped with those headache "problems" and shared any joyous events with everyone. He proudly said, "I think the new school has helped student attitudes, their pride in school, and thus has had a direct bearing upon all academic, athletic, and extra-curricular activities of our school. We are definitely a better school with a better spirit." The results they have attained are ample evidence of the "joy" with which they tackled their tasks.

Wide Selection Of Food Gives Variety To Meals

After hard mornings of study, students welcomed lunches prepared by Mrs. Jackie McPherson and her culinary staff. For the first time at H.H.S., the faculty and students had a choice of meats. During the first part of the school year Mrs. McPherson stated, "The wide variety of meats from steak to shrimp are being offered, and the vegetables are attractively prepared. We appreciate the students accepting these changes and hope to offer a still greater variety in the future."

While the kitchen staff kept the H.H.S. population fed, school nurse Mrs. Leeth kept them healthy, caring for students who became ill during the day.

Open House For New School Attracts Many Guests

Open House gave parents and taxpayers a chance to meet the faculty and observe the new air-conditioned school plant.

Visitors with mouths agape stared at the beautiful cafetorium, the modern homemaking department, and the spacious library.

Due to the low ceiling in the weather, the Honorable Ben Barnes, Lieutenant Governor of Texas, was unable to complete his trip and to deliver his dedication speech. Mr. Kiefer, the school board president, was the main speaker and afterwards said, "The Hamilton Board of Education were pleased with the crowd. Even though the weather was bad, I think it was a good turnout." The school board and the superintendents who had a part in promoting the new school, Forrest Watson and Troy Norris were honored guests. Eloie Stringer was unable to attend.

While Mathematicians Graph, Linguists Write

Using the overhead projector, Mrs. McPherson points out writing techniques to her junior class.

Everyday mathematics required thought and initiative. Algebra students learned that Mr. Willis' favorite slogans, "T" for Tuesday and "T" for Thursday, stood not only for the days of the week, but also for daily tests. Geometry and trigonometry students sketched hundreds of figures. Mathematicians developed a keen, logical mind and a desire to analyze and solve difficult problems.

English played an important role in H. H. S. Freshman students wrote a series of experience narratives using varied writing techniques, covered broad areas of world literature, and stressed library uses. Sophomores emphasized Julius Caesar and Silas Marner. Juniors studied the Scarlet Letter and Huckleberry Finn and entered their essays, "My Stake in the Natural Resources of Texas," in the S. C. S. competition. Seniors worked on research themes the first semester and enjoyed Lord of the Flies the second.

Extra Curricular Activities Improve Student Culture

Although teachers did not leave students too many spare moments, some found time for extra curricular activities. These students realized that participating in sports, band, and chorus did much more than pass time. They had fun, were challenged, and found a total involvement in addition to classroom participation.

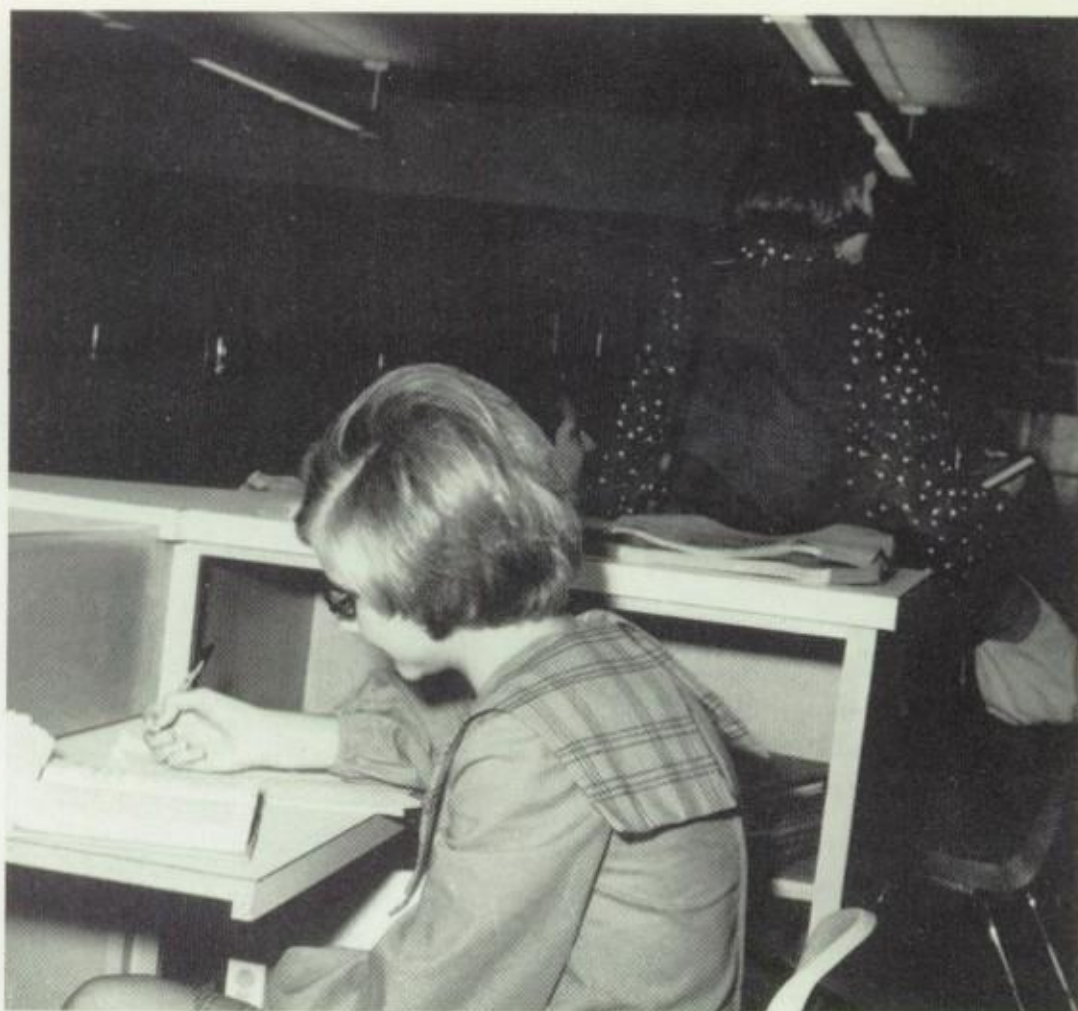

Mrs. Barbara Johnson joined the teaching staff as coach of the girls' basketball team and director of the chorus which met three days a week after school. Mr. Albert Lykins became the new band director.

Space To Classrooms

Vocational education included practical aspects of home, school, and business life. Homemaking girls stressed improved home activities in their new Home Economics department which housed four modern kitchens, a lovely living room, and a spacious work area for studying, sewing, and laundering. The Vocational Agriculture department emphasized the practical approach with boys engrossed in livestock, soil conservation, and woodwork projects. Business courses supplied students with skills and tools required in the professional world.

Science and history interested our Space Age students. Slide rule in hand and pencils behind ears, science teachers explained priceless centuries of learning. World, American, and Texas history students strove to understand the problems our world faced and to look for solutions and accomplishments. Government teachers impressed the basis and formation of our government on their pupils' minds.

Ghosts arrive to keep the revengeful Frank from killing a family who lives with the memory of a car wreck, two lives, and a lock-et in "The Storm."

Seniors Maintain Busy Schedule

Ann Nicholson (standing) plays the part of "Miss Scrooge" in "A Christmas Carol." (Left to right) James Gleason, Randy Tinkle, Connie Munday, Pam Morgan, Carolyn Stephens, and Jeanette Holley play the role of psychedelic hippies.

Jill Webb outwits the junior defense to score another touchdown for the seniors.

Sr-Jr
30-26

A rummage and bake sale started the 1970 senior money-making projects . . . In the Jr.-Sr. Powder Puff game, flags flew and tempers flared as junior girls ran a losing race against time; seniors won 30-26 . . . This year's traditional Christmas program, "A Christmas Carol," was a modern presentation of Dickens' classic . . . Next was the entertaining VARIETY '70 . . . Senior boys lost to "faculty and friends" in a rough basketball game . . . The Junior-Senior Prom ended a week of hard work; later that night rock music replaced waltzes as seniors and their dates danced to music by the "Society" until five in the morning . . . Galveston was the perfect place for the senior trip and sunburn . . . Seniors took to the road again to Lake Procter for a day of sun and fun . . . May 17 seniors took their places in line for Baccalaureate ceremonies . . . Last wills and testaments were a part of the last senior program . . . May 22, graduation, was a day of happiness shadowed with sadness.

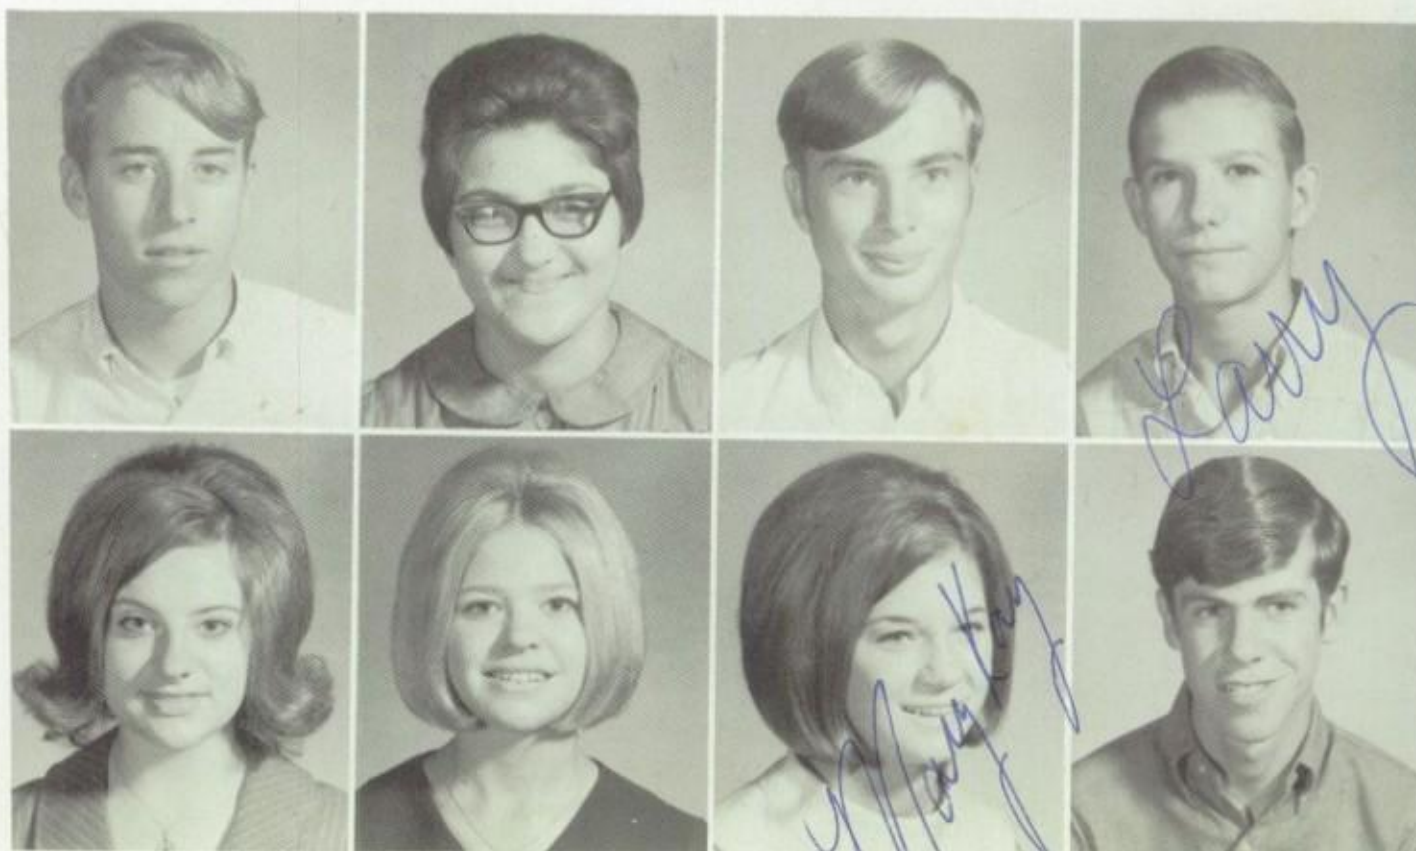

RIGHT: Voting is a major pasttime of seniors. Elections and group decisions are constantly taking place.

EPILOGUE

The year 1969-1970 was an eventful one at Hamilton High School. A new superintendent and a new school building marked the beginning of a successful year. Students worked together to produce a great school spirit and a willingness to compete. 1970 was a year of progress, co-operation, opportunity, obligation, and participation for the people of H.H.S. The PIONEER has attempted to record these memories and events which made "70 A Sign of the Times."

Jeanne,

We've been through
a lot together what with Sr. 70
Spanish and all. I see a
year better than last
year if one can be. Stay
sweet and uninhibited
and you'll be better off.
And you'll be a good kid
longer than most.
Good luck,
Kat

Jeanne,
really nice girl
that I like! Good
luck always and God
bless you. Singuilar Anglin

Jeannie -
We'll be through
have been lots
of tuff oppo, but
we always seem
to make it through
enjoyed going to school
so far. So let's make
this last year really rock on.
I can still remember all those great
games and those bus rides home. (can't you)
Jeannie keep up they help brighten
my personality. They help brighten
up those halls at HS. Remember
to yell for the DOGS this year. I'm
sure you'll yell in BB to we'll
need that extra spirit when we play
Be sweet and all the luck in the
world to you.
